SEO for The Moccasin House

The results were not revealed to me, but these pages were posted in 2006 and are still running. The client was very pleased.

SEO for GiftTree.com

GiftTree.com is world-renowned for gifting excellence. I was never privy to the results, but here are just a few of the pages I wrote between 2006-2007. This is a very small sampling of what I wrote for GiftTree. These samples are still online:
