# ...**MORE** than just going from point A to point B

We're taking the business of delivery to the next level.

Now Courier provides vital delivery and logistics services to all sectors of the business world, from small local companies to large international corporations.

We have consistently earned the #1 ranking of all courier companies in Indiana because we are:

1. Professionals
2. Problem Solvers
3. Partners with Our Clients

Whatever your business...whatever your need, we can help. Discover the important difference of working with a courier company driven by an uncompromising dedication to total customer satisfaction.
