Here's what we're going to cover...

- **The #1 question YOU need to answer before you get started.**
- Should you "do what you love" or "follow the money"... The surprising truth.
- **Fatal flaws in how 9 out of 10 people do keyword research -- And why some "hot" markets will suck you dry.**
- How to *know* you've got a winner. (Including the exact numbers you need.)
- **Do you really need to be an expert on your topic? Does the "2 book" rule apply in all markets?**
- What to do if your only passion is "making money". Hint: It's NOT enter the make money market.
- **Whether to choose a tiny niche or a mass market -- Plus what it means for your income potential.**

And much, much more!
